## ABOUT LASER LEAGUE

Laser Sporting is surprisingly athletic and a huge amount of fun. The difference between League and regular Laser Tag, is that you get to experience Laser Tag as part of an organised team. By the completion of your first season you will have the skills to be part of a cohesive team.

Senior League caters for beginner to advanced skill levels from ages 13 to adult. It is your first step in to the world of competitive Laser Sporting. Communication, tactics and team work are just a few things which come from playing competitive Laser Tag. We play on Tuesdays during school term from 6-9pm. The learning curve is steep, however you will be learning from Brisbane's top players, and you will be surprised how quickly you pick it up! The season runs for 10 weeks during the school term and breaks for school holidays.

If you have children (8 to 14 years) who would like to take part in League, then we have a really popular Junior League on a Wednesday afternoon from 4-6pm. visit <http://brisbane.laserzone.com.au/league-and-competition-juniors> for more details.

Laserzone Brisbane is lucky to have experienced national and international level players to coach and guide new players coming through. You will learn all the tricks of the trade from the best in the business. Find out more at <http://brisbane.laserzone.com.au/lasersports>
