## WHY YOU SHOULD ORGANISE A LASERZONE FUNCTION

When organising a group function, ice breaker, team building event or staff party you can take the safe option (ie restaurant or gathering at the office), or you can take the memorable option, and come to Laserzone for an experience that the whole crew will remember forever. Here is what a Laserzone Function has to offer:

- It's memorable! Teaming up with your colleagues or peers, and playing Laser Tag in a World Class arena. How awesome is that!? We can even run a mini tournament with trophies.
- We have a large function area. Booking an 'Exclusive Use' deal will include exclusive use of this area. It also means you can invite as many guests as you like (150 max) for the one fixed price. You can invite partners, kids and siblings of your invitees!
- We have Bumper Cars, Target Gallery Train and loads of Video Arcade games, so if someone is not a big fan of Laser Tag, there are plenty of other activities to do.
- We can arrange platters and pizzas for your group, and you can arrange your own catering if you wish. BYO alcohol is available for Exclusive Use Deals.
